Description

Redmi Buds 8 Lite – ANC Wireless Earbuds Block the noise and focus on what matters. The Redmi Buds 8 Lite deliver powerful active noise cancellation up to 42dB, letting you enjoy music, calls, and content without distractions. Equipped with a large 12.4mm titanium driver, they produce rich sound with clear vocals and deep bass. AI-powered dual microphones ensure your voice stays clear during calls, even in noisy or windy environments. With long battery life, water resistance, and customizable sound settings, they’re built for everyday use—whether you're commuting, working, or relaxing. Key Features: Active Noise Cancellation up to 42dB 12.4mm titanium driver for detailed sound Dual-mic AI noise reduction for clear calls Wind noise reduction for outdoor use Up to 36 hours total battery life IP54 water and dust resistance Dual-device connectivity Customizable EQ with 5 preset modes
