Description

The power to party anywhere : Grab the SRS-XV500 wireless party speaker and take the party wherever you go. This speaker packs powerful sound, built-in lighting and a long-lasting battery — you can even plug in a karaoke mic and sing the night away. With the XV500, you have everything you need to entertain your friends and family. LIVE LIFE LOUD : Life should be lived at full volume. That means getting your friends together, turning up the music and dancing all night to clear, rich sound. With our X-series wireless speakers, you can make the most of every single moment, power parties you'll remember for ever, and always live your life out loud. Powerful sound you can carry around : Enjoy powerful sound with a clear and deep bass from a speaker that you can move around. And with a long-lasting battery, you can party long into the night. Entertain your audience : With inputs for karaoke and guitar, the SRS-XV500 gives you even more ways to have a good time. Just plug in and sing or play. All it takes is a touch : An intuitive, illuminated touch control panel makes it easy to control your speaker and to find your perfect settings, even in dark environments Powerful sound from a portable speaker Take the party wherever you go with the SRS-XV500 speaker. It has a powerful sound thanks to the X-Balanced Speaker Unit, a long-lasting battery and an easy to carry handle, so you can have a great sound experience indoors or outside Powerful Party Sound The SRS-XV500 uses woofers and front tweeters to deliver a deep, punchy bass and clear vocals. With even more sound pressure, you won't be able to resist the urge to dance Powerful sound with X-Balanced Speaker Unit Our X-Balanced Speaker Unit features an almost rectangular diaphragm, for an increased surface area compared to conventional speaker units. The 140 mm x 140 mm large woofer unit gives clear and deep bass sound A richer, clearer, deeper experience The non-circular diaphragm not only maximises the area of speaker diaphragm, but it also increases sound pressure for deeper and punchier bass, less distortion and greater vocal clarity. For a richer, clearer, and more rewarding listening experience Listen loud and clear The combination of X-Balanced Speaker Units and front High-efficiency Tweeters deliver powerful, rich, and crisp sound. That means everyone can experience great music The party never stops With a 25-hour battery life, the XV500 will keep the party powered all night Specs SPEAKER TYPE Woofer(L/R)/Tweeter(L/R) X-BALANCED SPEAKER UNIT Woofer Unit SPEAKER SIZE Tweeter Unit: Approx. 60 mm,Woofer Unit: Approx. 140-140 mm BATTERY LIFE Approx. 25 H INPUT AND OUTPUT TERMINALS Stereo Mini Jack (IN) ,USB A,MIC Input 1(φ6.3mm),Guitar / MIC Input 1(φ6.3mm) FREQUENCY TRANSMISSION RANGE 20 Hz - 20,000 Hz (44.1 kHz sampling) Interface INPUT AND OUTPUT TERMINALS Stereo Mini Jack (IN) ,USB A,MIC Input 1(φ6.3mm),Guitar / MIC Input 1(φ6.3mm)
