Description

Day-Like Clarity at Night: Powered by 2K QHD and MaxColor Vision™, the camera delivers vivid, full-color surveillance footage. Enjoy a day-like view even in ultra-low light conditions. Solar-Powered for Non-Stop Security: SolarPlus™ 2.0 technology ensures non-stop security with efficient charging. Use the built-in panel or add an external panel to expand energy coverage. The camera stays powered even on cloudy days or in partial shade. Advanced PIR for Enhanced Security: Featuring an upgraded passive infrared (PIR) sensor, it reliably detects motion to capture crucial events, ensuring optimal protection for your home. BionicMind AI™ Empowers Your Security: See the true potential of your security with BionicMind™—providing facial recognition that differentiates between family and strangers with self-learning AI. Local Storage, No Monthly Fee: HomeBase™ S380 features 16 GB of built-in storage, expandable up to 16 TB with a hard drive (not included). Save your videos locally with no hidden costs
