Description

The Fire TV Stick 4K is now called Fire TV Stick 4K Plus - same great device, just a new name. Advanced 4K streaming - Elevate your entertainment with the next generation of our best-selling 4K stick, with improved streaming performance optimized for 4K TVs. Play Xbox games, no console required – Stream Call of Duty: Black Ops 7, Hogwarts Legacy, Outer Worlds 2, Ninja Gaiden 4, and hundreds of games on your Fire TV Stick 4K Plus with Xbox Game Pass via cloud gaming. Smarter searching starts here with Alexa – Find movies by actor, plot, and even iconic quotes. Try saying, "Alexa show me action movies with car chases." Wi-Fi 6 support - Enjoy smooth 4K streaming, even when other devices are connected to your router. Cinematic experience - Watch in vibrant 4K Ultra HD with support for Dolby Vision, HDR10+, and immersive Dolby Atmos audio. Endless entertainment - Stream more than 1.8 million movies and TV episodes. Watch favorites from Netflix, Prime Video, Disney+, Max, and more. Subscription fees may apply. Stream for free - Access over 400,000 free movies and TV episodes from popular ad-supported streaming apps like Fire TV Channels, Prime Video, Tubi, and Pluto TV. Alexa Voice Remote - Quickly find, launch, and control content with your voice. Get to your favorite apps with preset buttons, and control TV power and volume with one remote. Do more with your smart home - Control compatible devices like cameras, lights, and more with your remote. Press and ask Alexa to check the weather or dim the lights Processor Quad-core 1.7GHz, GPU 650MHz, Storage 8GB The next generation of our most popular 4K streaming stick Upgrade your 4K streaming experience with Fire TV Stick 4K Plus—now powered by a quad-core 1.7 GHz processor for faster app starts and more fluid navigation. It makes getting to the good stuff even easier—all for an affordable price.
