Description

See 4K Detail Day and Night: Spot tiny features on any potential trespasser (human or animal) with eufyCam 3—even at night. The Starlight photosensitive system enhances low light conditions for clarity in color. Forever Power Durability: eufyCam 3 is self-sustaining in any outdoor environment with an integrated solar panel only needing 2 hours of daily sunlight for Forever Power. Local Expandable Storage: With eufyCam 3, you're in control of your own data with military-grade encryption. You can even install a hard drive (not included) to expand to up to 16TB of storage, all for no monthly fee. BionicMind AI Empowers Your Security: See the true potential of your security with BionicMind—providing facial recognition that differentiates between family and strangers with self-learning AI. Put Yourself in Control: Feel at ease conveniently controlling eufyCam 3 with voice activation via Alexa and the Google Assistant, and clear two-way audio. You can even set activity zones to avoid false alarms. What You Get: eufy Security eufyCam 3 2-Cam Kit, welcome guide, 12-month stress-free warranty, and friendly customer service Forever Power 2 hours of daily direct sunlight extends battery life to near-infinite power Notice 4K Ultra HD Detail With 4K UHD, you'll see the small details of any person that walks onto your property. BionicMind Recognition BionicMind differentiates family and strangers with facial recognition. Accurate up to 99.9% Expand Your Local Storage Store more videos on HomeBase 3 with up to 16TB of expandable storage on a portable hard drive Understand in a Glance Get in-depth knowledge in seconds with categorized events and the power to search faces and objects Two-Way Audio Communicate with anyone who walks onto your property Features Resolution 4K (3840x2160)° Night Vision Infrared & color night vision Battery Life 365 days basicIntegrated solar panel to extend to forever Video Storage Free local storage: build-in 16GB for 3 months usageSupport HDD/SSD storage expansion, up to 16TB Smart AI Human recognition (Self learning algorithm)Vehicle detectionPet detection Audio Two way audio Spotlight Built-in, motion-activated Siren 100dB Weatherproof IP67 Voice Assistant Alexa, Google Voice Assistant Power and Connectivity Power Rechargeable lithium battery & solar Connectivity 802.11 b/g/n 2.4GHz Wi-Fi
