Product	Beurer BF 183 BMI Glass Scale
SKU	cm-BF183
Brand	Beurer
Category	Beauty & Health
Minimum order quantity	1
Unit	—
Unit price	\$34.00
Available quantity	100

Description

Beurer BF 183 Diagnostic BMI Glass Bodyweight Scale The Beurer BF 183 Diagnostic BMI Glass Bodyweight Scale is designed for users who want more than a simple weight reading. With body weight, BMI, body fat, body water, muscle percentage, visceral fat, and metabolic age measurement, it gives a clearer overview of body composition for home fitness tracking, weight management, and daily health monitoring. Key Features Diagnostic Body Composition ScaleMeasures weight and provides additional body analysis data including BMI, body fat, body water, muscle percentage, visceral fat, and metabolic age. Limited Edition Black & Bronze DesignFeatures a stylish black finish with bronze trim, giving the scale a more premium look for modern bathrooms. XL DisplayLarge display with 38mm digit size makes readings easier to see. 6mm Safety Glass PlatformStanding surface is made from 6mm safety glass for a solid and clean design. Brushed Stainless Steel ElectrodesIntegrated electrodes help perform body composition analysis. 180kg Weight CapacitySupports users up to 180kg. 10 User Memory SpacesSuitable for multiple users in the same household. Adjustable Weight UnitsCan be switched between kg, lb, and st. Automatic Switch-On and Switch-OffTurns on automatically when stepped on and switches off after use. Overload IndicatorAlerts when the maximum weight capacity is exceeded.
