Description

JBL PartyBox 720 – 800W Powerful Party Speaker Key Features 800W JBL Pro Sound with deep bass Dual 9” woofers + tweeters for powerful audio Dynamic lightshow synced with music Up to 15 hours battery life "(batteries sold separately)" IPX4 splash-proof for outdoor use Bluetooth 5.4 wireless streaming Mic and guitar inputs for live performance Supports Auracast for multi-speaker connection USB playback and AUX input Turn any space into a full party experience. The JBL PartyBox 720 delivers massive 800W JBL Pro Sound with deep bass from dual 9” woofers and crisp highs built to fill large spaces with powerful, clear audio. The dynamic lightshow syncs with your music, creating an immersive vibe for parties, events, or outdoor gatherings. With up to 15 hours of playtime and splash-proof design, it’s ready for long sessions anywhere. Plug in a mic or guitar, connect via Bluetooth, or pair multiple speakers for an even bigger sound setup IPX4 Splash proof Whether we’re hanging in the park or chilling by the pool, the PartyBox 720 is IPX4 splash proof—so a little water’s no big deal. Superior JBL Pro Sound We’re cranking out 800 watts of JBL Pro Sound loud, clean, and full of deep bass from those two massive 9" woofers. The tweeters keep the highs crisp and clear, so every track hits just right and the dance floor stays packed Futuristic lightshow Mix all that epic sound with a lightshow to match vibrant stars, flowing trails, and strobes that move with the beat. It’s a full-on vibe Up to 15 hours playtime Keep the music going for up to 15 hours on a single charge. Need more juice? Swap in the backup batteries (sold separately) and keep it moving. Just need a quick boost? A 10-minute fast charge gets you up to 2 extra hours of playtime What's in The Box 1 x JBL PartyBox 720 1 x Quick-start guide 1 x Safety Instruction - AC power cord - quantity and plug type vary by regions
