Description

Eco-friendly Case The Teclast P85Kids Tablet features a sustainable silicone case with anti-slip embossing, offering superior durability and drop protection. Its versatile stand supports 360° rotation, providing endless angles for use and play. 4D-Drawing Technology Elevate your child's artistic skills with the innovative 4D-Drawing Technology. This unique feature nurtures creativity and aesthetic appreciation, making every drawing session an adventure in art. Impressive Look Captivate young minds with the Teclast P85Kids's delightful cartoon designs. Choose between the enchanting unicorn and rainbow in pink or the cheerful duck and flowers in blue, each designed to spark joy and imagination. Parental Control With Google Family Link integration, the Teclast P85Kids offers comprehensive parental controls. Monitor and manage your child’s tablet use effortlessly, ensuring a safe and beneficial digital experience. Fun Tkids Space The Teclast P85Kids is home to the 'Tkids' app, a treasure trove of interactive learning. Explore music, drawing, games, and movies, all designed to educate and entertain in a child-friendly environment. Android 15 Running on Android 15, the tablet allows customization of themes in Tkids Space. Select wallpapers and icon colors that are visually comfortable and appealing to young users, enhancing their interactive experience. Long Battery Life Equipped with a 5000mAh battery, the Teclast P85Kids ensures prolonged enjoyment. Fast Type-C charging means more time for movies, games, and educational content, less waiting.
