Description

Hoco GA4 Jade Laptop Cooling Stand The Hoco GA4 Jade Laptop Cooling Stand is designed for users who want better laptop positioning, improved desk comfort, and stable support during work, study, browsing, or entertainment. Compatible with 12–17 inch laptops, it features 7-level height adjustment, a hidden anti-slip baffle to help prevent the laptop from sliding, and a PC + ABS shell for lightweight daily use. Key Features Compatible with 12–17 Inch LaptopsSuitable for most common laptop sizes used for work, study, and home office setups. 7-Level Height AdjustmentAllows users to raise the laptop to a more comfortable viewing angle. Hidden Anti-Slip BaffleHelps prevent the laptop from sliding down while using the stand. Cooling Stand DesignLifts the laptop from the desk to support better airflow around the device. PC + ABS ShellLightweight and practical material build for everyday use. Desk Comfort SupportHelps improve screen height and typing/viewing posture during long sessions. Main Feature Sections Better Laptop PositioningThe Hoco GA4 Jade stand helps raise the laptop screen to a more comfortable level, making it useful for office work, online classes, browsing, and study sessions. Adjustable 7-Level HeightThe stand supports height adjustment from level 1 to level 7, allowing users to choose the angle that best fits their desk setup and viewing position. Stable Laptop SupportThe hidden baffle helps keep the laptop in place and reduces the chance of slipping during normal use. Cooling-Friendly DesignBy lifting the laptop off the desk surface, the stand can help improve airflow compared to placing the laptop flat on a table. Technical Specifications Product Type: Laptop Cooling Stand Brand: Hoco Model: GA4 Jade Laptop Compatibility: 12–17 inch laptops Height Adjustment: 7 levels Anti-Slip Support: Hidden baffle Material: PC + ABS shell Use Case: Laptop support, desk setup, study, office work, home office, browsing, and cooling airflow support Best Use Cases Home office desk setup Study and online classes Office laptop work Better screen height positioning Laptop cooling airflow support Desk organization Users with 12–17 inch laptops Compatibility Compatible with most 12–17 inch laptops Best used on a flat and stable desk surface Stability depends on laptop size, laptop weight, stand angle, and correct placement Not designed as a heavy-duty workstation stand unless laptop weight support is confirmed.
