Description

Redmi Pad 2 Pro 256GB + Keyboard + Free Xiaomi Smart Pen The Redmi Pad 2 Pro is designed for users who want a larger Android tablet bundle for productivity, study, entertainment, note-taking, drawing, browsing, and daily multitasking. With a 12.1-inch 2.5K display, up to 120Hz refresh rate, Snapdragon 7s Gen 4 Mobile Platform, advanced 4nm processor, up to 16GB RAM with memory extension, 256GB storage, Xiaomi HyperOS 4, TÜV Rheinland Low Blue Light certification, quad speakers, massive 12000mAh battery, keyboard cover included, and free Xiaomi Smart Pen included, it is a strong tablet bundle for students, professionals, creators, and family use. Key Features 12.1-Inch 2.5K DisplayLarge crystal-clear screen for watching videos, reading, studying, working, drawing, and browsing. Up to 120Hz Refresh RateDelivers smoother scrolling, animations, writing, and visual movement compared to standard 60Hz displays. Snapdragon 7s Gen 4 Mobile PlatformProvides strong everyday performance for apps, multitasking, productivity, streaming, and casual gaming. Advanced 4nm ProcessorBuilt for better performance and efficiency in daily tablet use. Up to 16GB RAMIncludes 8GB physical RAM with up to 8GB extended memory for smoother multitasking. 256GB StorageLarge storage capacity for apps, documents, videos, photos, downloads, projects, and offline content. Powered by Xiaomi HyperOS 4Offers Xiaomi’s latest tablet software experience with a modern Android-based interface. TÜV Rheinland Low Blue Light CertificationCertified eye-care display helps make long viewing sessions more comfortable. Quad SpeakersFour speakers deliver more immersive stereo sound for videos, music, calls, and entertainment. Massive 12000mAh BatteryLarge battery capacity supports long daily use for study, work, streaming, and travel. Up to 33W Wired Reverse Charging SupportSupports up to 33W wired reverse charging as supplied, adding extra power flexibility. Keyboard + Cover IncludedComes with a keyboard cover for easier typing, productivity, studying, and desk use. Free Xiaomi Smart Pen IncludedAdds strong value for note-taking, drawing, document markup, and creative use. Main Feature Sections Large 12.1-Inch 2.5K Display for Work and EntertainmentThe Redmi Pad 2 Pro gives users a bigger and clearer screen for watching content, reading, studying, browsing, and using productivity apps. The 2.5K resolution makes it more suitable for users who want a sharper display than basic tablets. Smooth 120Hz Visual ExperienceWith up to 120Hz refresh rate, scrolling, writing, switching apps, and general movement feel smoother. This is especially useful for reading, browsing, note-taking, and entertainment. Snapdragon 7s Gen 4 PerformanceThe Snapdragon 7s Gen 4 Mobile Platform and 4nm processor make the tablet suitable for everyday multitasking, streaming, studying, browsing, office apps, and casual gaming. Productivity Bundle with Keyboard and PenThe included keyboard cover and free Xiaomi Smart Pen turn the Redmi Pad 2 Pro into a stronger productivity bundle. Users can type documents, take notes, mark up PDFs, sketch ideas, and use the tablet more comfortably for school, university, or work. Big Battery for Long SessionsThe 12000mAh battery makes this tablet a strong option for long study sessions, workdays, travel, video streaming, and family use.
