Description

Xiaomi Redmi Pad 2 256GB + Free Flip Case The Xiaomi Redmi Pad 2 256GB is designed for users who want a large-screen Android tablet for entertainment, study, browsing, video calls, reading, light productivity, and daily family use. With an 11-inch IPS LCD display, 90Hz refresh rate, Android 15 with HyperOS 2, MediaTek Helio G100-Ultra processor, up to 16GB RAM with memory extension, 256GB storage, 9000mAh battery, 18W wired charging, and a free flip case included, it is a practical tablet bundle for everyday use. Key Features 11-Inch IPS LCD DisplayLarge screen size makes it comfortable for watching videos, reading, browsing, studying, and using apps. 90Hz Refresh RateProvides smoother scrolling and a better visual experience compared to basic 60Hz displays. 1B Colors Display SupportHelps deliver richer color reproduction for entertainment, photos, and daily viewing. Android 15 with HyperOS 2Runs on Xiaomi’s latest software experience with a modern Android interface. MediaTek Helio G100-Ultra ProcessorBuilt for everyday performance across browsing, streaming, studying, apps, and light multitasking. Octa-Core CPU DesignUses 2 × Cortex-A76 cores at 2.2GHz and 6 × Cortex-A55 cores at 2.0GHz for balanced performance and efficiency. Mali-G57 MC2 GPUSupports casual gaming, videos, and everyday graphics performance. Up to 16GB RAMIncludes 8GB physical RAM with up to 8GB extended memory support for smoother multitasking. 256GB StorageLarge internal storage for apps, photos, videos, downloads, files, school content, and entertainment. 8MP Main CameraUseful for document photos, casual shots, and basic rear camera needs. 5MP Selfie CameraSuitable for video calls, online classes, meetings, and selfies. 9000mAh BatteryLarge battery capacity supports longer daily use for entertainment, study, and browsing. 18W Wired ChargingSupports 18W wired charging with PD2 and QC2.0 support. Free Flip Case IncludedAdded value bundle with a flip case included for better everyday protection and usability. Main Feature Sections Large 11-Inch Display for Entertainment and StudyThe Redmi Pad 2 gives users a comfortable 11-inch viewing area for videos, online classes, reading, browsing, and productivity apps. The 90Hz refresh rate helps make scrolling and navigation feel smoother. Strong Everyday Storage and MultitaskingWith 256GB storage and up to 16GB RAM using memory extension, this tablet is practical for users who need space for apps, downloads, media, documents, and daily multitasking. Balanced Performance with Helio G100-UltraThe MediaTek Helio G100-Ultra processor combines performance cores and efficiency cores, making the tablet suitable for daily Android use, entertainment, learning apps, browsing, and casual gaming. Long Battery for Daily UseThe 9000mAh battery makes the Redmi Pad 2 a strong choice for users who need a tablet that can last through study sessions, travel, streaming, and daily home use. Free Flip Case BundleThe included flip case adds immediate value, helping protect the tablet and making it easier to use for watching videos, browsing, and carrying around.
