Description

Xiaomi Blender The Xiaomi Blender is designed for families and home users who want a powerful, easy-to-use blender for smoothies, juices, milkshakes, sauces, baby food, dips, shaved ice, and everyday kitchen preparation. With a 600W motor, 21000 RPM high-speed blending, 6 stainless steel blades, 5 speed levels, pulse function, 1.75L glass jar, self-cleaning design, and safety interlocking lid, it delivers smooth blending performance with practical daily convenience.

Key Features

- 600W Powerful Motor**Delivers strong blending performance for fruits, vegetables, ice, sauces, shakes, and everyday recipes.
- 21000 RPM High-Speed Blending**Blends quickly and evenly to help create smoother textures.
- 6 Stainless Steel Blades**Four winged blades and two flat blades provide multi-angle cutting for efficient grinding and blending.
- 5 Speed Levels**Choose the right speed for mixing, chopping, blending, juicing, or preparing different ingredients.
- Pulse Function**Gives extra control for short bursts of power, especially useful for ice, thicker textures, and controlled blending.
- 1.75L Large Capacity Jar**Makes up to around 7 cups at a time, suitable for family use and gatherings.
- Reinforced Soda-Lime Glass Jar**Strong, durable, smooth, easy to clean, and resistant to deformation.
- Self-Cleaning Design**Add water and run the blender to create a swirling cleaning motion inside the jar.
- Detachable Blades**Allows more thorough cleaning after use.
- Safety Interlocking Lid**Helps ensure the blender is properly closed before operation for safer use.
- U-Shaped Pouring Spout**Designed for smoother pouring with less spilling.
- Retractable Power Cord**The power cord can be stored inside the base for a cleaner countertop setup.

Technical Specifications

Product Type: Kitchen Blender Brand: Xiaomi Product Name: Xiaomi Blender Model: MLLJ001CM-1A Rated Voltage: 220-240V~ Rated Frequency: 50-60Hz Blending Power: 600W Motor Speed: Up to 21000 RPM Maximum Volume: 1750mL / 1.75L Speed Levels: 5 levels Pulse Function: Supported Blade Type: 6 stainless steel blades Jar Material: Reinforced soda-lime glass Safety Feature: Interlocking lid mechanism Power Cord: Retractable / stowable in base Dimensions: 217 × 199 × 443mm Use Case: Smoothies, juices, milkshakes, shaved ice, baby food, sauces, dips, and daily blending Blending Modes & Use Low Speed: Even mixing and softer ingredients Medium Speed: Quick chopping and general preparation High Speed: Powerful blending and juicing Pulse Function: Short power bursts for more control Capacity Maximum Jar Volume: 1.75L Serving Reference: Up to around 7 cups, based on 240mL per cup Safety Features The Xiaomi Blender includes an interlocking lid mechanism designed to check whether the lid is properly closed before blending. This helps reduce accidental operation and supports safer daily use. Cleaning The jar has internal ribs that help create a swirling water flow for quick cleaning. For deeper cleaning, the blades can be detached and washed more thoroughly.
