## Description

Dual Wireless Microphones: Experience crystal-clear vocals with built-in remote volume control and customizable original vocal removal levels. Adjust as you sing to get the best performance, ensuring your voice always shines. AI Vocal Removal Transform any song into a perfect karaoke track with just one click. Choose any song from any app, and our AI technology instantly removes the original vocals, allowing you to sing your heart out to your favorite melodies. 160W Powerful Sound: Enjoy booming 160W sound via a 6.5" woofer and three 2.5" full-range drivers. Covers up to 1,076 square feet, perfect for a party with friends. Vocal Enhancer and Reverb Add depth and clarity to your voice in every note—making you sound like a pro right at home. Effortlessly Chic: Pulses with the music to transform your home or backyard into a vibrant party space. Customize the effects to set the perfect mood and match any vibe. Portable Design and 12H Playtime The built-in handle and long-lasting battery make it easy to take the party anywhere. Perfect for the beach, backyard gatherings, or any adventure.
