Description

AI-Driven Party Starter: Feel powerful sound fill every corner, while dynamic lights bring the dance floor to life. With dual pro mics and AI vocal removal, singing your favorite songs has never been easier. 200W Powerful Sound: Enjoy booming 200W sound and deep bass via a 6.5" woofer and three 2.5" full-range drivers. It's loud enough to fill a basketball court, delivering the ultimate party atmosphere for any occasion. Immersive Beat-Synced Light Show: Transform your home or backyard into a vibrant party space, and customize the light effects to set the perfect mood and match any vibe. Dual Wireless Microphones: Own every duet with crystal-clear vocals and built-in volume and vocal removal controls. AI Vocal Removal: Turn any gathering into a karaoke party with one click. Choose any song from any app, and AI removes the original vocals in real time. Adjust vocal levels to sing along or go full solo—your voice, your stage! App Customization: The soundcore app gives you full control over EQ settings, lighting, vocal effects, and reverb.
