Description

Elevate your entertainment experience with a powerful processor for lightning-fast app starts and fluid navigation. Play Xbox games, no console required – Stream Forza Motorsport, Starfield, Palworld, and hundreds of games on your Fire TV Stick 4K Max with Xbox Game Pass via cloud gaming. Smarter searching starts here with Alexa – Find movies by actor, plot, and even iconic quotes. Try saying, "Alexa show me action movies with car chases." Enjoy the show in 4K Ultra HD, with support for Dolby Vision, HDR10+, and immersive Dolby Atmos audio. The first-ever streaming stick with Fire TV Ambient Experience lets you display over 2,000 pieces of museum-quality art and photography. Fire TV Stick 4K Max has 16GB of storage—double that of Fire TV Stick 4K and our other streaming sticks, for even more apps, games and downloads. Stream more than 1.8 million movies and TV episodes. Watch favorites from Netflix, Prime Video, Disney+, Max, and more, plus listen to millions of songs. Subscription fees may apply. Control your TV and connected devices with an upgraded remote that includes voice control, a recents button, and dedicated channel buttons to surf live TV. Enjoy fluid gameplay and fast-rendering graphics with a lightning-fast processor. Access popular games with an Amazon Luna subscription—no console required
