Product	Xiaomi Redmi Pad 2 4G (Gray)
SKU	cm-42392209064034
Brand	Redmi
Category	Laptops & Tablets
Minimum order quantity	1
Unit	—
Unit price	$295.00
Available quantity	100

Description

Xiaomi Redmi Pad 2 4G 8GB 256GB The Xiaomi Redmi Pad 2 4G 8GB 256GB is designed for users who want a large-screen Android tablet with mobile data support, strong storage, smooth display performance, and long battery life. With an 11-inch IPS LCD display, 90Hz refresh rate, Android 15 with HyperOS 2, MediaTek Helio G100-Ultra processor, up to 16GB RAM with memory extension, 256GB storage, dual Nano-SIM support, 9000mAh battery, 18W wired charging, 8MP rear camera, and 5MP front camera, it is a practical tablet for entertainment, study, browsing, video calls, travel, and everyday productivity. Key Features 4G Mobile ConnectivitySupports Nano-SIM + Nano-SIM, making it useful for users who need internet access outside Wi-Fi coverage. 11-Inch IPS LCD DisplayLarge display size makes it comfortable for videos, browsing, reading, online classes, and daily app use. 90Hz Refresh RateProvides smoother scrolling and navigation compared to basic 60Hz tablet displays. 1B Colors Display SupportHelps deliver richer visuals for entertainment, photos, and everyday screen viewing. Android 15 with HyperOS 2Runs on a modern Android software experience with Xiaomi’s HyperOS interface. MediaTek Helio G100-Ultra ProcessorBuilt for everyday Android performance, including streaming, browsing, studying, apps, and light multitasking. Octa-Core CPU DesignUses 2 × Cortex-A76 cores at 2.2GHz and 6 × Cortex-A55 cores at 2.0GHz for balanced performance and efficiency. Mali-G57 MC2 GPUSupports casual gaming, video playback, and everyday graphics use. 8GB RAM + Up to 8GB Extended RAMProvides up to 16GB RAM with memory extension for smoother daily multitasking. 256GB StorageOffers large internal storage for apps, videos, photos, downloads, documents, and offline content. 9000mAh BatteryLarge battery capacity supports longer daily use for entertainment, study, travel, and browsing. 18W Wired ChargingSupports 18W wired charging with PD2 and QC2.0 support. 8MP Main CameraUseful for casual photos, document scanning, and basic rear camera use. 5MP Selfie CameraSuitable for video calls, online classes, meetings, and selfies. Main Feature Sections 4G Tablet for Use AnywhereThe Redmi Pad 2 4G gives users the flexibility to stay connected with mobile data when Wi-Fi is not available. Dual Nano-SIM support makes it more practical for travel, work, students, and users who need internet access outside the home. Large 11-Inch Display for Entertainment and StudyThe 11-inch IPS LCD display gives a comfortable screen size for watching videos, reading, studying, browsing, and using Android apps. The 90Hz refresh rate helps make scrolling and movement feel smoother. Strong Everyday Storage and MultitaskingWith 8GB RAM, up to 8GB extended memory, and 256GB storage, this tablet is built for users who need enough space for apps, media, files, downloads, school content, and daily multitasking. Balanced Performance with Helio G100-UltraThe MediaTek Helio G100-Ultra processor combines performance and efficiency cores to handle everyday tasks such as streaming, browsing, online learning, social media, and casual gaming. Long Battery for Daily UseThe 9000mAh battery makes the Redmi Pad 2 4G a practical choice for longer sessions of entertainment, video calls, study, reading, and travel use.
