Description

DJI Osmo Mobile 8 Native Tracking With Audio & Lighting – Level up your shots with a DJI gimbal that combines tracking, audio reception, and lighting. Stay sharply in focus, well-lit, and crystal clear. Seamless 360° Pan Rotation – Enjoy 360° horizontal rotation for immersive shots. Intelligent tracking lets you follow subjects freely, and the built-in tripod and selfie stick adds more flexibility. Direct Phone Connection for Tracking – Instantly connect your phone to the foldable gimbal for quick setup and intelligent tracking. Portable and easy to use for on-the-go shooting. Ultra-Comfortable Grip with Built-in Tripod for Low-Angle Shots – This gimbal is ideal for capturing kids or pets in action, creative skateboarding shots, or new vlogging angles with a Selfie Stick, all without wrist strain. Built-in Extension Rod & Tripod – No extra gear required! Capture group selfies or wide travel shots with this DJI gimbal. Set up anywhere—from city parks to family parties—for hands-free filming. 10-Hour Battery & Phone Charging – Shoot for hours at events or on the go with a long-lasting gimbal. Charge your phone as you film ideal for festivals, travel, and live streaming. Robust 3-Axis Gimbal Stabilization – Whether you're chasing action shots or filming daily vlogs, this gimbal's advanced 3-axis stabilization ensures smooth, professional footage. Easy Tutorials & One-Tap Editing – New to phone gimbals? Get started fast with simple tutorials and easy, one-tap editing. Create and share great-looking videos in minutes. Includes the gimbal, Multifunctional Module, Magnetic Phone Clamp, etc. Enjoy native tracking with integrated audio & lighting capabilities. Great for daily recording, vlogging, or live streaming.
