Description

Discover Nintendo Switch 2 Your games will leap to life on the vivid, 7.9” 1080p screen that showcases the system’s powerful processing and graphics performance. The updated dock also supports up to 4K resolution and frame rates up to 120 fps with compatible games and TVs The reimagined Joy-Con™ 2 controllers snap into place with magnetic connectors—and each controller can even be used as a mouse in compatible games. Plus, you can still enjoy compatible games from your existing Nintendo Switch library Connect with friends and family with GameChat Once GameChat is set up, press the C Button on your right Joy-Con 2 to start it up, a seamless way to voice chat with your friends, share your game screen, and connect via video chat with a compatible USB-C camera (sold separately). Nintendo Switch 2 also has a built-in microphone that filters out noise around you for a clear experience. It’s like hanging out together - from wherever you are. GameChat Open-Access Period Until March 31, 2026, GameChat can be used without a Nintendo Switch Online membership. Afterwards, a Nintendo Switch Online membership will be required to use GameChat. Gear up for exclusive games and more Nintendo Switch 2 is the exclusive home to games like Mario Kart™ World, Donkey Kong™ Bananza, and more. You can also purchase upgrade packs for certain Nintendo Switch games like The Legend of Zelda™: Tears of the Kingdom, Super Mario Party™ Jamboree, and Kirby™ and the Forgotten Land for enhanced experiences and new content!
