Description

Features Officially Certified 10,000mAh Compact Battery Pack Built-in USB-C Cable, 35W Max For iPhone 16 Series, Samsung, iPad, AirPods, and More Description All-Around Apple Charging: Seamlessly charge your tech with a robust 10,000mAh power bank, featuring an adjustable Apple Watch charger and a built-in USB-C cable for quick, on-the-go power. Officially Certified for Apple Watch: Maximize your charging efficiency with the Apple-certified power bank, capable of charging an Apple Watch Series 9 to 47% in just 30 minutes. 30W USB-C and 5W Apple Watch Charging: Supports simultaneous device charging with the built-in cable or port, offering up to 30W, alongside a wireless watch charger that provides up to 5W. The power bank fully recharges in 1.5 hours with a 30W maximum input. Travel-Friendly Power: Compact as a standard mouse at just 3.7 × 2.0 × 1.3 inches, it fits effortlessly into pockets or bags. Fully flight-approved, the power bank offers hassle-free travel charging, providing about two full charges for iPhone 16 Pro and up to 11 charges for Apple Watch Series 10. What You Get: Anker MagGo Power Bank (10K, 35W, For Apple Watch), welcome guide, 12-month warranty, and our friendly customer service
