Description

2x Stronger Voice Reduction: With ANC 3.0 and a purpose-built acoustic cavity. Real-Time Adaptive ANC 3.0: Adjusts every 0.3 seconds to ensure a quiet space. Immersive Dolby Audio: Takes you to the front seat of any performance. Detail-Rich Sound: Via wool-paper diaphragms and bass tubes. Supports LDAC and Hi-Res Audio. Natural, Crystal-Clear Calls: With 6 mics, AI, and a wind-resistant algorithm. 12H/48H ANC Off, 8H/32H ANC On: A 10-minute charge gives you another 5 hours Soundcore Liberty 5 Earbuds ANC Advanced ANC, Superior Voice Reduction Adaptive ANC 3.0 adjusts noise cancellation every 0.3s, while a purpose-built acoustic cavity dampens human voices, delivering 2x more effective voice reduction. True Awareness Upgraded with two mics on each bud. Turn on Transparency mode, and you hear the world as it is—just like you're not wearing earbuds at all Small Stem, Big Control This little stem lets you mute, skip tracks, answer calls, and more—all faster and easier than ever Ready, Pose, Snap Simply tap the stem when your phone camera is ready to capture a moment. No awkward arm twisting, just a quick selfie in seconds Just the Right Size for You Shield your favorite tunes from noise with six sizes of ear tips, delivering a snug seal and bespoke fit for your ears Sound Tailored to Your Ears soundcore's HearID 4.0 assesses your hearing, compares it to the average for your age group, and tests your music taste to personalize your listening experience Dual Connections, Simplified Connect and juggle between two devices smoothly, even with LDAC enabled. Google Fast Pair adds convenience with auto-connection What's in the Box · Soundcore Liberty 5· Charging Case· Ear Tips (Size XXS/XS/S/M/L/XL)· USB-C Cable
