Wide Colour Performance With 1.07 billion colours and DCI-P3 94% colour gamut, the display produces vibrant and more natural-looking images for movies, shows, sports, and games. HDR and Filmmaker Mode HDR10+, HLG, and Filmmaker Mode help improve contrast, brightness, and cinematic accuracy when supported content is available. Smooth Motion with MEMC 4K 60Hz MEMC helps reduce motion blur and improve smoothness during sports, action scenes, and fast-moving content. Google TV Smart Experience Google TV brings streaming apps, movies, shows, recommendations, and profiles into one simple interface. Google Assistant allows voice search and smart TV control. Easy Phone Streaming Google Cast, Miracast, and Apple AirPlay allow users to stream content from compatible phones, tablets, and laptops directly to the TV. Immersive Sound Dual 10W speakers with Dolby Audio, DTS, DTS Virtual, and Xiaomi Sound deliver fuller sound for movies, series, and daily entertainment. Premium Metal Design The ultra-thin bezel and dark gray metal frame give the TV a clean, modern look that fits easily into different home setups.
