Unit price	$99.00
Available quantity	100

Description

The Hoco W58 Wireless Headphones represents a sophisticated choice for discerning audio enthusiasts. Built on Bluetooth 5.4 technology with the JL7006 chipset, these headphones ensure stable wireless performance and optimized power efficiency. The 500mAh battery delivers exceptional endurance 50 hours of standard playback or 40 hours with active noise cancellation engaged requiring only 2 hours to fully recharge. Engineered from premium ABS construction, the headphones weigh 506g and measure 195×184×84mm for ergonomic comfort during extended use. The integrated ANC system effectively attenuates ambient noise across multiple frequency ranges, while magnetic hall-effect switches on the ear tips provide reliable contact and secure fit. A refined solution for professionals and audiophiles seeking reliable wireless audio performance. * Smart Case included
