## Description

LDNIO Power Socket 2500W PD20W SC10610C Power more, charge faster. The LDNIO SC10610C combines a high-capacity power strip with fast USB charging, allowing you to run multiple devices safely and efficiently from one hub. With 10 universal outlets and PD 20W fast charging, it's built for both heavy appliances and everyday devices. Integrated protection keeps your electronics safe from power surges and interference. Key Features 2500W high-power capacity for multiple devices 10 universal AC outlets 20W USB-C PD fast charging QC 3.0 fast charging support Auto-ID USB ports for smart charging Surge protection for device safety 2-meter heavy-duty power cable Supports multiple device charging simultaneously Specs Power Rated Power: 2500W (Max) Input: 100-250V / 10A USB Output PD Output: 5V/3A, 9V/2A, 12V/1.5A (20W Max) QC 3.0 Output: 3.6V-6V/3A Auto-ID Output: 5V/2.4A Total USB Output: 30W (Max) Design Outlets: 10 universal sockets Cable Length: 2 meters Build: Heavy-duty construction
