Description

Philips OneBlade Face and Body Shaver The Philips OneBlade QP2824/10 is an innovative grooming tool designed for versatile styling, trimming, and shaving facial hair. Equipped with unique OneBlade technology, it effortlessly trims to your desired length, edges with precision, and shaves without causing irritation. Ideal for maintaining stubble or beard, it ensures convenience and comfort for all grooming needs. Specifications Color: Lime Green and Charcoal Gray. Material: Durable plastic body with stainless steel blade. Blade Technology: Dual-sided blade with OneBlade technology for a close yet gentle shave. Battery Type: Rechargeable NiMH battery. Battery Life: Up to 45 minutes of runtime on an 8-hour charge. Water Resistance: Fully washable and suitable for wet and dry use. Trimming Attachments: 1 mm, 3 mm, and 5 mm combs for customized trimming. Dimensions: Compact and lightweight for ease of use. Features 3-in-1 Functionality: Trims, edges, and shaves with one versatile tool. Unique OneBlade Technology: Provides efficient cutting at 200 movements per second while protecting the skin. Dual-Sided Blade: Precision edging for clean lines in any direction. Long-Lasting Blade: Replaceable blade lasts up to 4 months (based on two full shaves per week). Cordless Convenience: Rechargeable design with sufficient runtime for multiple grooming sessions. Wet and Dry Use: Comfortable to use with or without shaving foam, even in the shower. Custom Length Settings: Comes with multiple trimming combs for a tailored grooming experience
