Description

Xiaomi Smart Jump Rope Fitness Counter Bluetooth The Xiaomi Smart Jump Rope is designed for users who want a simple cardio workout with smarter performance tracking. With Bluetooth app support, built-in fitness counting, adjustable rope length, ergonomic anti-slip handles, and portable design, it is a practical training accessory for home workouts, outdoor exercise, weight management, and daily fitness routines. Key Features Smart Fitness TrackingTracks jumps, workout time, and estimated calories to help users monitor progress during training. Bluetooth App SupportConnects to a compatible app through Bluetooth, allowing users to follow workout data and fitness goals. Adjustable Rope LengthThe rope length can be adjusted to suit different user heights, making it suitable for both beginners and regular fitness users. Ergonomic Anti-Slip HandlesComfortable handle design helps provide a secure grip during fast or longer workout sessions. Lightweight & Portable DesignEasy to carry for home workouts, gym sessions, outdoor training, or travel fitness routines. Cardio Training Made SimpleHelps improve daily activity, endurance, coordination, and calorie-burning workouts without needing large equipment. Real-Time Workout SupportBuilt-in sensors help provide performance data so users can train with more awareness and consistency.
