Available quantity	0

Description

The Mcdodo BS-1410 Portable Bluetooth Speaker delivers stylish design and high functionality—ideal for on-the-go users. Its cylindrical build, durable fabric exterior, integrated carrying strap, and ambient LED lights make it a standout choice for both looks and performance. With Bluetooth 5.1, it maintains a strong and stable connection up to 10 meters. Dual 57mm drivers combined with a bass diaphragm ensure powerful, balanced stereo sound. With an IPX5 waterproof rating, it’s splash-resistant and ready for the outdoors—perfect for camping, picnics, or hanging out by the pool. This speaker includes a built-in 1200mAh battery that provides up to 5 hours of playback at 70% volume, and it recharges in approximately 2.5 hours via USB-C. With four adjustable lighting modes, you can customize the visual mood to match your environment. It also features TF card input, USB input, and intuitive controls.
