Description

Introducing the Blade-5, the world's slimmest 5000 mAh power bank! Designed for ultimate convenience and reliability, this slender little power solution keeps you charged up wherever life takes you. Cutting-edge technology blends seamlessly with sleek design to deliver a compact yet robust solution to your power needs. At the heart of the Blade-5 lies a super-slim, high-density 5000mAh lithium polymer battery, ensuring your devices stay charged without the added bulk of a regular power bank. Its compatibility with MagSafe technology revolutionizes the charging experience, offering lightning-fast 15W charging speeds that magnetically align for effortless connection. Equipped with USB-C In/Out featuring 20W Power Delivery, the Blade-5 charges your devices rapidly and replenishes its own efficiently. Safety is paramount with built-in over-charging and over-heating protection, and optimal temperature control to safeguard your device and the power bank. Crafted from durable aluminum and ABS, the Blade-5 combines portability with durability for on-the-go confidence. Its compact size and efficient performance make it the perfect companion for your daily adventures, ensuring you never run out of power when you need it most
