Description

Now with the world’s best in-ear Active Noise Cancellation, all-new heart rate sensing, and up to 8 hours of battery life Experience breathtaking sound quality with the world’s best in-ear Active Noise Cancellation. Built-in heart rate sensing lets you track your heart rate and calories burned during workouts. And the Hearing Aid capability now features automatic Conversation Boost. Live Translation helps you communicate across languages, powered by Apple Intelligence. It is supported in the following languages: English (UK, U.S.), French (France), German (Germany), Portuguese (Brazil), and Spanish (Spain). The internal architecture has been completely rebuilt for better acoustic performance, and the external geometry has been redesigned for a more secure fit. With improved battery life, you can get up to 8 hours of listening time with Active Noise Cancellation on a single charge. And AirPods Pro 3 are the first AirPods to have an IP57 rating for improved dust, sweat, and water resistance What’s in the Box AirPods Pro 3 MagSafe Charging Case (USB-C) with speaker and lanyard loop Silicone ear tips (five sizes: XXS, XS, S, M, L) Documentation
