Description

JBL Xtreme 4 Portable Waterproof Speaker The JBL Xtreme 4 Portable Waterproof Speaker is designed for users who want powerful JBL sound with long battery life, rugged outdoor protection, and easy portability. With up to 24 hours of playtime, Playtime Boost for up to 6 extra hours, Bluetooth 5.3, IP67 waterproof and dust-proof protection, Auracast support, power bank function, multi-point connection, speed charge, and a convenient shoulder strap, it is a premium portable speaker for beach days, backyard parties, travel, and daily music use. Key Features Powerful JBL SoundUses dual woofers and dual tweeters for strong bass, clear vocals, and detailed sound. Up to 24 Hours PlaytimeLong battery life for full-day listening at home or outdoors. Playtime BoostAdds up to 6 extra hours while tuning performance for louder and crisper sound. IP67 Waterproof & Dust-ProofSuitable for beach, poolside, outdoor, and travel use. Bluetooth 5.3Provides modern wireless connectivity with compatible devices. Auracast SupportConnects with compatible Auracast-enabled JBL speakers for bigger sound setups. Power Bank FunctionCan help charge compatible devices while on the go. Convenient Shoulder StrapMakes the speaker easier to carry for outdoor use and travel. Multi-Point ConnectionAllows convenient switching between compatible connected devices. Main Feature Sections Big Portable JBL SoundThe JBL Xtreme 4 delivers powerful audio through separate woofers and tweeters, giving it stronger performance than smaller portable speakers. It is suitable for users who want room-filling or outdoor-ready sound. Long Battery for All-Day ListeningWith up to 24 hours of playtime, the Xtreme 4 is made for long music sessions. Playtime Boost can extend playback by up to 6 additional hours when longer battery life is needed. Built for Outdoor AdventuresThe IP67 waterproof and dust-proof rating makes it practical for beach trips, poolside use, camping, backyard parties, and travel. It can handle outdoor conditions better than basic indoor Bluetooth speakers. Portable with Shoulder StrapDespite its powerful output, the speaker remains portable with a convenient shoulder strap, making it easier to move between rooms, events, and outdoor locations.
