Description

JBL PartyBox Club 120 Portable Party Speaker The JBL PartyBox Club 120 is designed for users who want a powerful portable speaker for parties, events, gatherings, karaoke, and outdoor entertainment. With 160W JBL Pro Sound, futuristic beat-synced lightshow, up to 12 hours of playtime, Bluetooth 5.3, mic and guitar inputs, AI Sound Boost, JBL PartyBox app control, IPX4 splash resistance, Auracast support, and a folding ergonomic handle, it is a strong party speaker for music, lights, and live performance-style fun. Key Features 160W JBL Pro SoundDelivers powerful sound with clear audio and deeper bass for party environments. Futuristic LightshowStarry lights, light trails, and strobe effects sync with the music. Up to 12 Hours PlaytimeSuitable for long parties, events, and outdoor sessions. 10-Minute Fast ChargeProvides up to 80 minutes of extra playtime when the battery is low. Replaceable Battery DesignAllows longer party use with a compatible spare battery. Bluetooth 5.3Streams music wirelessly from compatible phones, tablets, and laptops. Mic and Guitar InputsUseful for karaoke, singing, announcements, and casual live performance. JBL PartyBox App SupportAllows control of party effects, speaker settings, and entertainment features. IPX4 Splash-Proof DesignHandles light splashes and small rain exposure during outdoor use. Auracast SupportConnects with compatible JBL Auracast-enabled speakers for bigger wireless sound setups. Main Feature Sections Powerful Party SoundThe JBL PartyBox Club 120 delivers 160W output with JBL Pro Sound, making it suitable for indoor parties, gatherings, shop events, outdoor hangouts, and karaoke-style entertainment. Music-Synced LightshowThe built-in lightshow adds visual energy with starry lights, light trails, and strobe effects that react to the beat, helping create a stronger party atmosphere. Karaoke and Live Input OptionsWith mic and guitar inputs, users can sing, speak, perform, or add live sound to the party setup without needing a separate sound system. Portable and Splash-ProofThe folding ergonomic handle makes it easier to carry, while IPX4 splash resistance adds confidence for poolside, balcony, garden, or outdoor use.
