Description

Belkin USB-C 4-in-1 Multiport Adapter Plug-In Wherever You Go Connect your laptop to a 4K monitor, projector, and other devices with our USB-C 4-in-1 Multiport Adapter. This compact adapter is the perfect solution for home, the office, or in-between workstations. It features two USB-A ports to charge and connect your smartphone, tablet, keyboard, thumb drive, mouse, or other high consumption device while its HDMI port connects your MacBook Pro, Chromebook, or other USB-C laptop to a display with up to 4K resolutions. Plug in a power adapter or charging cable for up to 100W of pass-through power so you don't have to choose between port expansion and charging. 5 Gbps of bandwidth delivers fast data transfer between computer and peripheral devices. Encased in a sleek aluminum finishing that matches popular devices, this adapter is a stylish addition for your work, study, or play setup Specs Compatible with USB-C enabled devices such as laptops, PCs, tablets, smartphones, and with Mac, Windows, Chrome operating systems.
