

Product specification sheet

Product	Mcdodo USB-C 10 in 1 Dongle HUB HU-742
SKU	cm-HU-742
Brand	Mcdodo
Category	Peripherals
Minimum order quantity	1
Unit	—
Unit price	\$35.00
Available quantity	0

Description

Features Unleash Ultimate Connectivity with the Mcdodo USB-C 10 in 1 Docking Station! USB-C port delivering up to 100W of fast charging. Up to 1 Gbps Ethernet port TF and micro SD slots, supporting up to 2TB 4K HDMI display at 30Hz or a VGA (1080P) projector USB 2.0 Transfer Speed: 480Mbps USB 3.0 Transfer Speed: 5Gbps Built-in LED indicator Input: Type-C Model: HU-742 Output: USB3.0 x 2 + HDMI + PD + LAN + TF + SD + USB2.0 x 2 + VGA Mcdodo USB-C 10 in 1 Dongle HUB HU-742 Connect your USB-C device to ten other devices simultaneously: Connect wireless mouse & keyboard, external hard drives, and flash drives to the USB-A ports. Enjoy stable browsing and streaming with the 1 Gbps Ethernet port. Power devices with lightning speed using the secondary USB-C port delivering up to 100W of fast charging. Access external data storage via the TF and micro SD slots, supporting up to 2TB of high-speed data transmission. Immerse yourself in visuals by connecting to a 4K HDMI display at 30Hz or a VGA (1080P) projector. 4 x USB-A ports - 2x USB-A 2.0 (480Mbps) and 1 x USB-C 3.0 (5Gbps) 1 x 1 Gbps Ethernet port for seamless network connectivity 1 x USB-C 3.0 port for versatile compatibility 1 x HDMI port for breathtaking 4K display at 30Hz 1 x TF and 1 x micro SD slot for hassle-free data storage Crafted for Performance, Built for Style: Made from aviation-grade aluminum alloy, this docking station combines functionality and style. The fingerprint and wear-resistant shell adds sophistication while remaining lightweight. The self-monitoring temperature control system ensures optimal performance during demanding tasks. Keep Your Cool Under Load: The Mcdodo Docking Station's self-monitoring temperature control system efficiently dissipates heat, ensuring optimal performance even during intensive workloads. Seamless Compatibility, Effortless Operation: No software drivers needed! This docking station seamlessly syncs with Windows, Mac OS, and Android OS. The built-in LED indicator shows when the hub is active. Power Up Your Possibilities: Experience 100W PD Fast Charging and elevate productivity with powerful pass-through charging for your devices. The 1 Gbps Ethernet port offers stable internet connectivity for streaming and gaming. Embrace the Future of Connectivity: Upgrade your workspace with the Mcdodo 10-in-1 USB-C Docking Station. It's more than a device; it's a gateway to enhanced productivity, seamless connectivity, and modern style. Elevate your workspace today - order your Mcdodo Docking Station now! Mcdodo: Charger Faster, Go Further Brand: MCDODO Category: 10 in 1 HUB Model: HU-742 Size: 30 x 4.2 x 1.85cm HDMI Resolution: 4K@30Hz Material: Aluminum Alloy Color: Deep Grey Weight: 88g Cable length: 15cm VGA Resolution: 1080P USB 3.0 Speed: 5Gbps Type-C output: 20V/5A USB 2.0 Speed: 480Mbps SD/TF Card: Read and Write RJ45 port: support 1000M/100M/10M Ethernet connection Input: Type-C Output: USB 3.0 x 2 + HDMI + PD + LAN + TF + SD + USB 2.0 x 2 + VGA
