Description

Features Superior sound performance with a wider soundstage, Iconic design Pairs seamlessly with up to two mobile devices simultaneously Multi-speaker connection by Auracast Boost stereo sound with two speakers Bluetooth music streaming Up to 8 Hours of Playtime USB Port for Mobile Charging Circular design that looks great everywhere Harman Kardon Onyx Studio 9 Elevate your everyday listening to an extraordinary sound experience with the Harman Kardon Onyx Studio 9. This elegant wireless Bluetooth movable home speaker delivers superior audio performance with crystal-clear vocals, bright highs, and deep bass that make your favorite music feel thrillingly immersive. Constant Sound Field technology widens the soundstage and improves the clarity and detail of your music. The substantial integrated handle (made with 90% recycled aluminum) and built-in battery with 8 hours of playtime make the Onyx Studio 9 easy to move with you in and around your home, and a built-in USB port recharges your device while you enjoy your music. And thanks to automatic self-tuning, it always delivers the best possible sound performance wherever you set it down.
