Suitable for calls, music, commuting, work, and daily use

**Noise Cancellation**

50dB Hybrid ANC The CMF Buds Pro 2 use Hybrid ANC to reduce surrounding noise and help users focus on music, calls, study, work, or travel. Smart Active Noise Cancellation Smart ANC adjusts the listening experience based on the surrounding environment, making it more practical for different daily situations.

**Call Quality**

6 HD Microphones The earbuds include 6 HD microphones to improve voice pickup during calls.

**Clear Voice Technology 2.0**

Clear Voice Technology 2.0 helps make speech clearer by reducing unwanted background noise during conversations.

**Wind-Noise Reduction 2.0**

Wind-Noise Reduction 2.0 improves call clarity outdoors, especially while walking, commuting, or moving in breezy conditions.

**Battery Life**

Total Playback Up to 43 hours of total playback with the charging case.

**Fast Charging**

A quick 10-minute charge gives up to 7 hours of playback.

**Real Buyer Benefit**

This is strong for users who forget to charge often or need earbuds that can last through long workdays, travel, and daily commutes.

**Connectivity**

Dual Bluetooth Connection Dual connection allows the earbuds to connect with two devices, such as a phone and laptop, making it easier to switch between music, meetings, calls, and videos.

**Water & Dust Resistance**

IP55 Rating The earbuds are protected against dust and light water exposure, making them suitable for workouts, commuting, and daily outdoor use.

**Important Reality**

IP55 helps against sweat and splashes, but the earbuds are not designed for swimming or full water submersion.

**Smart Features**

ChatGPT Integration ChatGPT integration adds a smarter interaction layer for supported tasks, depending on device and app compatibility.
