Description

Braun Silk-Expert Pro 3 IPL PL3121 IPL devices are one of the most misunderstood beauty categories. Many buyers incorrectly assume: “IPL permanently removes hair forever.” That is inaccurate. The correct positioning is: long-term visible hair reduction. And results depend heavily on: skin tone hair color consistency treatment schedule hormonal factors This product’s real strength is: simplified home IPL with automatic skin adaptation. Key Features IPL hair reduction system SkinPro (SensoAdapt™) technology Automatic skin tone detection Up to 100 flashes per minute Sensitive mode for delicate areas Precision head included Up to 300,000 flashes Wet-free at-home IPL solution Suitable for women and men IPL Performance Main Purpose Long-term visible hair reduction Treatment Speed Up to 100 flashes per minute Real Benefit Faster full-body sessions Fewer missed areas during gliding treatments Skin Tone Technology SkinPro (SensoAdapt™) Continuously reads skin tone Automatically adjusts flash intensity Monitoring Frequency Up to 80 skin tone readings per second Real Advantage Safer power adjustment Better comfort balance Reduced manual guesswork Sensitive Areas Sensitive Mode Lower light intensity for delicate areas Best For face underarms bikini area Included Treatment Heads Standard Head Legs larger body areas Precision Head Face smaller detailed areas Flash Lifespan Total Flashes Up to 300,000 flashes Claimed Longevity Approx. 16 years of usage Hair & Skin Compatibility Best Results Light to medium skin tones Dark blonde to black hair Less Effective For Very blonde hair red hair grey hair white hair Critical Reality IPL works by targeting melanin. Low-pigment hair responds poorly. Comfort & Safety UV Filter Built-in UV protection support Experience Designed for gentle home treatment sessions
