SKU	cm-DVT2075
Brand	Philips
Category	Audio & Video
Minimum order quantity	1
Unit	—
Unit price	\$110.00
Available quantity	100

Description

Philips VoiceTracer Audio Recorder DVT2075 The DVT2075 is positioned above basic voice recorders because it targets: usable information extraction. Not just recording. That’s the important evolution here. Most users do not actually want audio files.They want: searchable notes summaries transcripts meeting documentation The Sembly AI integration directly addresses that shift. Key Features Dual high-sensitivity microphones Natural stereo recording MP3 & PCM recording formats AI transcription support via Sembly 8GB internal storage microSD card expansion Rechargeable battery USB-C connectivity Up to 35 hours recording time Audio Recording Microphones Dual high-sensitivity microphones Recording Type Natural stereo sound recording Main Benefit Improved voice separation Better meeting and interview clarity Recording Formats Supported Formats MP3 PCM lossless recording Benefits MP3: smaller file sizes easier sharing PCM: higher audio quality lossless recording AI Features Sembly AI Notes Support AI transcription workflow support Functions Automatic transcription Meeting summaries Key insight extraction Faster documentation workflow Workflow Record audio Upload to Sembly Receive transcript & summaries Storage Internal Memory 8GB built-in storage Expandable Storage microSD card slot supported Battery Battery Type Rechargeable battery Battery Life Up to 35 hours recording time Connectivity Port USB-C PC Transfer Easy file transfer support Box Contents Included Philips VoiceTracer recorder USB-C cable Quick start guide Sembly voucher
