Description

soundcore C50i | Comfortable Clip-On Open-Ear Earbuds The soundcore C50i is built around one core idea: long-term wearable comfort without isolation Unlike traditional in-ear earbuds, the C50i uses an open-ear clip-on design that keeps users aware of their surroundings while reducing ear pressure during extended listening. This product targets: office users commuters casual listeners workout users people who dislike in-ear silicone tips Key Features Open-ear clip-on earbud design FlexiClip memory titanium structure 12mm oversized dynamic drivers Deep bass audio tuning AI-enhanced clear calls IP55 water & dust resistance Bluetooth 6.0 connectivity Lightweight 5.5g earbuds Fast charging support soundcore app support with AI features Specs Audio 12mm custom dynamic drivers Up to 86dB audio output Enhanced bass performance Calls AI-powered call noise reduction Voice isolation technology Battery Life Music Playback Up to 7 hours per charge Up to 28 hours with charging case Call Mode Up to 4.5 hours per charge Up to 18 hours with charging case Fast Charging 10 minutes charging: Up to 2 hours playback Connectivity Bluetooth Version: Bluetooth 6.0 Waterproof Rating IP55 water & dust resistance Design Open-ear clip-on structure Memory titanium FlexiClip Skin-friendly coating Earbud Weight: 5.5g each App Features soundcore app support AI assistant features Translation support for 100 languages
